Dear Ms. Conway, Ms. Fisher, Mrs. Conway, and Ms. Cameron's Kindergarten Class:

Congratulations! Your poster has been selected as a winner in the Environmental Protection Agency, New England Office, 34th Annual Paul G. Keough Earth Artists Program.

Hundreds of students from all over New England in Kindergarten through Sixth grade entered the poem and poster contest. Your entry was one of only a few winners in your grade and state division — quite a distinction!

In recognition of the fabulous job you did, we would like to recognize you at a ceremony on **Wednesday, May 24, 2006 at the Marriott Providence Downtown in Providence, RI.** Enclosed is a flyer providing details about the ceremony and directions.

Your teacher, family and friends are also invited to share in this special ceremony. At the ceremony, you will come up on stage and accept a certificate for your hard work, artistic creativity and interest in protecting the environment. This ceremony is being held in a fully accessible facility. Should you have specific needs or questions about the facility or transportation, please contact me.

Please RSVP by faxing (617-918-0069) or mailing back (reply envelope attached) the enclosed reservation form **to me at least one week BEFORE the award ceremony.** If you cannot attend, please let us know and your certificate will be mailed to the address provided.

Once again, congratulations on a job well done! If you have any questions, please feel free to contact me at 617-918-1069.

Sincerely,

Kristen Conroy
Earth Artist Program Coordinator
